BEYOND BEGINNINGS:
ACHIEVING POSTVENTION EXCELLENCE

WEDNESDAY 3rd SEPTEMBER 10am–3pm

AN ONLINE CONFERENCE

WWW.HARMLESS.ORG.UK

This autumn, Harmless will be hosting its sixth annual online Suicide Bereavement Conference. To mark World Suicide Prevention Day the following week, we will be presenting a series of live expert-led webinars examining practical applications for working in suicide bereavement.

This conference is designed to help those working with anyone impacted by suicide. Delegates can expect to take away a range of knowledge, inspiration and skills for practical implementation in real-life situations. Learning from leaders in the field, delegates will experience interactive sessions that can help to drive change. A full line-up of webinars will be announced over the coming months.

The event is CPD-accredited and if you are unable to attend the whole day, don't worry – we will be recording the conference and making sessions available for viewing afterwards via our E-Learning portal.
